#### Certificate for PhD Thesis Supervision

This is to certify that Mr. Mohammad Washid has completed his PhD work on Strategic Investment Decisions in Petrochemical Sector: A comparative Study of GCC Countries under my supervision.

Further, I certify that the work is based on the investigation made, data collected and analyzed by him and it has not been submitted in any other University or Institution for award of any degree. In my opinion it is fully adequate, in scope and utility, as a thesis for consideration for the award of the degree of Doctor of Philosophy in Management.
