

ACKNOWLEDGEMENT

The entire thesis is dedicated to my Late Mother-in-Law who wished to see this study completed

This page is the only place where I truly can express my heartfelt thanks and gratitude to all those who were behind me in completing this task. The immense co-operation by way of moral support from my daughters Elina and Aarna, my ever inspiring father and mother, my biggest critics who keeps me refining - my better half- my husband Sameer, my siblings especially my sister Vaishali who has been my guidepost always, my father-in-law, my office colleagues, my bosses, my oil and gas colleagues in the industry and from all of my friends and family for their direct and indirect help and precious support which cannot be expressed in words but I am indebted to all of them.

Needless to mention, this work wouldn't have been completed without precious guidance of my guides Dr. Sumit Gupta, Dr. Hiranmoy Roy and Dr. Ravi K. Mallick, I am grateful to them for their constant support and drive in completing this study.

Special thanks to Dr. Tarun Dhingra- Associate Dean, University of Petroleum & Energy Studies, Dehradun for his review and guidance from time to time, Dr. SPS Narang, UPES, Dehradun for his valuable assistance in editing my thesis, Prof. Dr. Sabnis- IIT Bombay for his guidance in Factor Analysis, Dr. Biswas- Emeritus IIT Bombay for their co-operation during analysis, Dr. Joji Rao - School of Business (SoB), UPES for his suggestion during research, Centre of Continued Education, UPES, Dehradun, Library of IIT Bombay and Library of American Consulate for permitting access to various journals, books during my study work.
